EDITION  
**2026**

## ABOUT US

At Kelvinator, we've always stood by one simple belief: technology should make life better.

Staying true to this promise, and to the values that have shaped us since our American beginnings, we continue to craft appliances that bring ease, comfort, and reliability into everyday life.

With a legacy spanning over a century, Kelvinator has been at the heart of homes around the world - known for products that are intuitive to use, thoughtfully designed, and built to last.

Today, we're proud to expand our portfolio with a wide range of durable electronic appliances that touch every corner of modern living. From the kitchen to the laundry room, we're constantly pushing the boundaries of technology - not for complexity, but for simplicity that feels like magic.

Because for us, innovation isn't just about what's new. It's about what works beautifully for you, every single day.

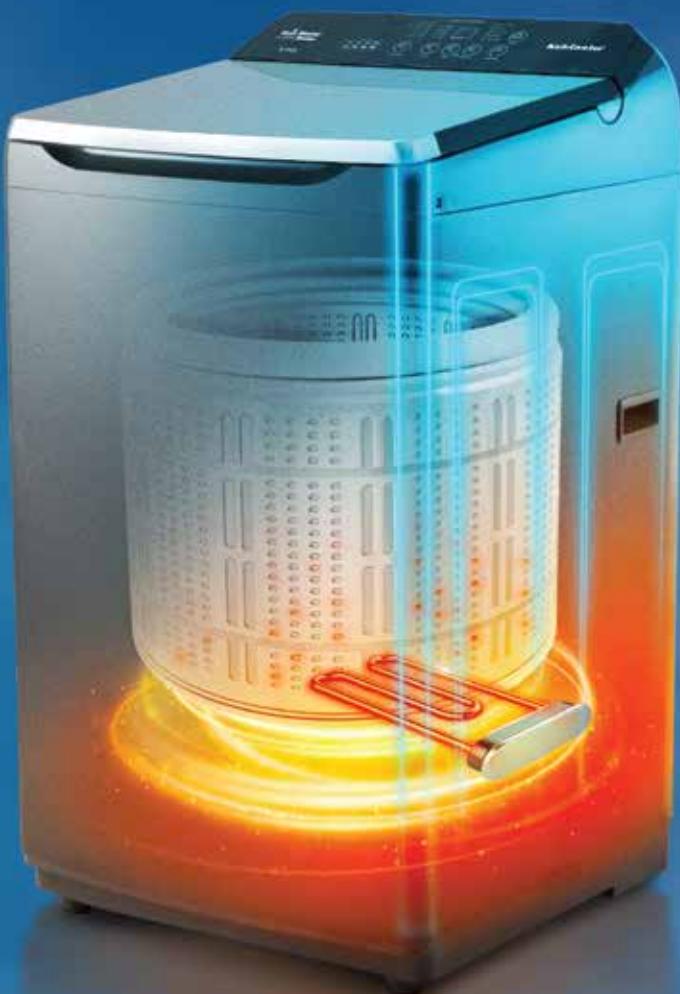

## IN-BUILT HEATER

Say goodbye to laundry woes.

Remove 125 stains effortlessly for a fresh, clean, and hygienic wash every time.

UPTO  
**125 STAINS\***  
REMOVAL  
99.9% Germ Clean —

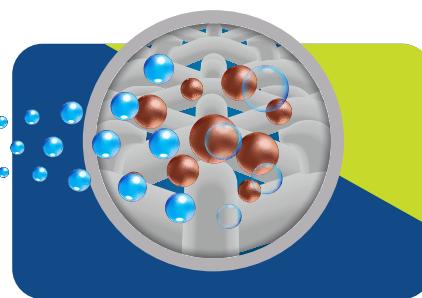

\*These results are based on tests conducted by external laboratories on selected models in accordance with internal test protocols. Actual performance may vary depending on operating conditions, usage patterns, and testing environments.

### TURBO 12

Wore it for a short while?  
Fresen up your clothes with  
a quick wash that removes  
odours and light stains.  
Perfect for everyday wear.

### STAIN GUARD WASH

The Inbuilt Heater enhances  
hygiene by effectively removing  
upto 125 stains ensuring deep,  
germ free cleaning.

### 10 WASH PROGRAMS

Enhance your laundry experience  
with 10 specialized wash programs like  
hot tub hygiene, germ clean, Smart  
Select and others.

# Max Foam Top Load Washing Machine

Washing Machine with

# 2X MORE FOAM\*

Generates maximum foam for enhanced washing performance, ensuring thorough cleaning without detergent residue.

\*Based upon internal lab test carried under standard test conditions, this top load washing machine generates 2X More Foam as compared to select conventional top load washing machines of same capacity without Max Foam Technology. Results may vary depending on actual usage conditions. \*Daag/Stains means most commonly occurring stains only.

Creative Visualisation.

## iCLEAN

No more post-wash cleanup. The machine self-cleans after every wash, for lasting, optimal performance.

## CROWN DRUM

Get rid of stubborn stains, effortlessly. This stainless-steel drum offers maximum cloth friction and lifts stains while keeping your fabrics looking like new.

## ZERO PRESSURE

Get the assurance of consistent performance, even when the water pressure is low.

# RUST-FREE & READY FOR EVERYDAY WASHES

Lightweight fiber body that resists rust and corrosion - built to stay durable and look new, wash after wash.

Creative Visualisation.

### FUZZY LOGIC

Intelligent sensors optimize water, detergent, spin speed, and cycle time—automatically adjusting to load type for smarter, efficient, and effective washing every time.

### TOUGHENED GLASS LID

Durable, shock-resistant glass lid designed for long-lasting use, and added safety especially for homes with kids.

### 8 WASH PROGRAMS

Custom-designed programs like Germ Clean, Hot Tub Hygiene, and Smart Select give you the perfect wash for every fabric type, stain level, and laundry load.

## MAXACTION PULSATOR

Innovative Pulsator with Tumble motion which ensures deep, even cleaning while blending detergent effectively while staying gentle on fabrics.

### SPRAY 360°

Unique mechanism which ensures uniform water distribution, improves rinsing, removes detergent residues and delivers cleaner and fresher smelling laundry.

### DUAL WATERFALL

Evenly spreads water and detergent for deeper cleaning, better rinsing, and gentle fabric care.

### RIBBED WALL

Offers enhanced cleaning by providing a scrubbing action, helping lift dirt and grime from clothes.

- F-Class Motor Winding

## F-CLASS HEAVY-DUTY MOTOR

Designed to handle heavy loads with ease. F-class motor winding delivers consistent performance cycle after cycle; with the durability you can count on.

### AUTO RESTART

In case of a power outage, the wash cycle automatically resumes from where it left off.

### DUAL WATERFALL

Evenly spreads water and detergent for deeper cleaning, better rinsing, and gentle fabric care.

### TOUGHENED GLASS SOFT CLOSING LID

Prevents slamming, enhances durability and provides added safety for both users and children.
